

## What is a Home Care Package?

It's a coordinated package of care and services to help you to live independently in your own home for as long as you can.

Your home care provider will work with you to choose care and services that best meet your needs and goals. Your provider will also help you to manage your care and services.

For detailed information about the Home Care Packages Program, you can read the consumer manual by searching for 'home care packages manual' on the My Aged Care website.

### You will get a letter from your assessor

You will get a letter from your assessor and it will tell you whether you're eligible for a Home Care Package and at what level.

If you're approved for a package you'll be placed in the national priority system.

Everyone will have a waiting period before receiving a Home Care Package. Your position in the national priority system is based on your needs and circumstances as well as the time you've been waiting for care.

## Find home care providers and work out fees

While you're waiting, start looking for home care providers. This includes finding out about the services they offer and potential fees.

To find local providers and get an estimate of potential fees visit **myagedcare.gov.au** and search for:

## Be assigned a Home Care Package

### You will get a letter from My Aged Care

You will get a letter from My Aged Care letting you know you've been assigned a Home Care Package.

You'll have 56 days to:

- choose a provider

If you need more time, call My Aged Care on **1800 200 422** to ask for a 28 day extension.

## Enter into a Home Care Agreement and manage services

Your chosen provider must give you a Home Care Agreement and work with you to develop a care plan and package budget. Your provider must tell you about any fees you need to pay.

Before you enter into an agreement you should understand your rights. The Charter of Aged Care Rights sets out your rights as a person receiving Home Care Package services. Your provider must comply with the Charter and respect your rights. You also have rights under the Australian Consumer Law. You may also want to ask a family member, friend, advocate or a lawyer to read your Home Care Agreement.

Your provider must give you a copy of your Home Care Agreement.

You can move to a different home care provider at any time. Your provider must support you if you choose to move.

You can also choose to end your Home Care Agreement and stop receiving Home Care Package services.

Call My Aged Care on **1800 200 422** about changing or leaving providers.
