

Community Transport

Need a lift?

Keeping you Safe, Connected & Independent

Nhulundu Health Service's Community Transport program is a door-to-door, pre-booked transport service for eligible community members who can't easily use public or private travel.

Why use it?

- Get to doctors, hospital or specialist appointments
- Do your grocery and banking runs
- Catch up with family, Elders or community events
- Reduce isolation and stay independent

You may be eligible if you:

- Are you under 65 years OR an unpaid carer travelling in that role
- Have little or no access to other transport (no licence, vehicle, or regular bus route)
- Are NOT already getting travel help through NDIS, CHSP, STAS or Queensland Health Patient Travel
- Residents of the Gladstone region

Eligibility criteria and conditions apply.

Contact Eller on **0429 930 539** for more information.

How it works

- Call to book at least 2 business days ahead
- One of our friendly staff picks you up from your door
- We drop you home safely when you're done
- OPERATING HOURS
